

Morning Announcements

Monday April 13th, 2021

TODAY:

- Attention all Delview students! Would you like to become involved in a school and district wide Anti-racism Initiative? Get a chance to voice your concerns about racism in our schools and brainstorm ideas to bring about change! If you are interested, come sign-up with Mrs. Minhas in the Library before Wednesday of next week. We will be having a brief zoom meeting on Wednesday April 14 @1pm to discuss this initiative in more detail

THIS DAY IN HISTORY:

- We are in April, and according to Mr. Turpin, this is the historically interesting month of the year. SO... Today you are getting TWO historical facts. First, In 1955, Polio vaccine tested by Jonas Salk announced to be 'safe and effective' and is given full approval by the US Food and Drug Administration, and in 1961, Russian cosmonaut Yuri Gagarin becomes the first person to orbit Earth
