- University of Toronto has created a series of virtual events specifically for grade 10 and grade 11 students. The events are after school or in the evening on April 20th, May 5th and May 13th. Learn about Univ of Toronto’s programs, admission requirements and process. Grade 10 and 11s, check your deltalearns email on how to register or visit the Career Centre website.

### **GRADS:**

- Simon Fraser University’s School of Interactive Arts and Technology or SIAT will have a virtual 30 minute presentation about their programs. SIAT is an interdisciplinary school which combines the science of human experience, the analysis of media and culture, the creation of original and experimental works of art, and the implementation of new technologies. The event is on April 14, Wednesday at 5 pm. All grade 10 and 11 are encouraged to attend. Please check your deltalearns email for details on how to register.
- To Grads, application for the Mitchell Slater Foundation Scholarship is now open. The scholarship was created to help raise awareness and end stigma surrounding mental health. It is provided to all students regardless of academic achievement. Submit your story Ms. Abad on or before May 5th. Your story could be in the form of a letter or poetry, a video or short film, artwork or you can create something. For application process, please check the Career Centre website or your deltalearns email.

### **THIS DAY IN HISTORY:**

- In 1865, while attending a production of “Our American Cousin” at Ford’s Theatre in Washington D.C., President Abraham Lincoln was shot once in the back of the head by John Wilkes Booth, and in 1912, at approximately 11:40pm the RMS Titanic collided with an Iceberg in the North Atlantic and began taking on water.
