## ***Tuesday April 20<sup>th</sup>, 2021***

### **IMPORTANT INFORMATION ABOUT THE TRANSITION TO QUARTER FOUR:**

- Reminder to students that Thursday, April 22nd is a transition day for all quarter classes. Students will be informed by their teachers if they are required to attend
- Quarter 4 starts on Friday, April 23rd. Please check MYED or student connect to look at your quarter 4 classes. If you need to make any changes please complete the course request change available on the Delview website and do not attend until you have had a response. Many course changes will not be possible due to our course availability and rules around learning groups. Please email your counsellor if you have any further questions.

In quarter 4 a number of Grade 10-12 classes will be run as a hybrid course. Students will receive an email from their classroom teacher informing them of their hybrid schedule and grouping. Students can only attend those classes on the day/time they have been assigned.

### **TODAY:**

- As part of its commitment to reconciliation, the Delta School District is planting a cedar tree at every school and district site as a way to show appreciation and respect for local First Nation culture through its Giving Tree Project. As part of this celebration we on the announcement crew will be delivering Cedar Tree Facts in the upcoming announcements.

### **UPCOMING:**

- L - L - L - LIVE AT LUNCH!!!!!! Delviews famous "Live at Lunch" Returns on Wednesday April 21st at 10:30 am for a second streaming edition. Watch it live or watch it later, we hope you will tune in to this to Live at Lunch and support Delview Student and staff performers.

### **GRADS:**

- Delview Grads. There is still time to nominate your candidate for Valedictorian, but time is running out and MANY of you have still not completed the google form. Remember, the deadline is 8:30 am THIS FRIDAY!!!!!! Look for the large QR code posted around the school for the link.

### **TODAY'S CEDAR FACT:**

- How old is the oldest person you know? What about the oldest thing you can think of? Today's interesting cedar fact is: "The Western Red Cedar can live to be over 1000 years old"
