

Morning Announcements

Thursday, February 18, 2021

TODAY:

- Students currently in Grade 10 or 11 should now have had their course selection presentation in their A block class. If you have not yet seen it please go to the website and follow the links on the course selection tab. Gr. 10 & 11s should now be checking their MyEd passwords and making sure that they work. They should also be doing their research to make sure they know which courses to select for next year. Courses will be selected on Feb. 22 and 23rd.
- Attention Grade 10s and 11s. Are you interested in a career as a police officer, community constable or telecommunications operator? RCMP offers career presentations on February 18th, 22nd and 24th. To register, please visit the recruiting events page in the RCMP website. Or check the Career Centre website for details on how to register.
- The Electronic Recycling Association or ERA will be holding their scholarship competition to host an e-waste (electronic waste) collection event in your area. The competition is open to students (from grade 9 to 12s) who have an interest in the environment. Electronics you may collect are cell phones, tablets, laptops, computers, servers, monitors, networking equipment, gaming consoles and similar electronics. The top 10 winners will receive prizes of up to \$10,000. If you interested in applying, check your deltalearns account or the Career Centre website for more details. The competition runs until July 31st 2021.
