### **UPCOMING:**

- **To grads, here is another scholarship opportunity. The Royal Canadian Legion is awarding four \$1,000 bursaries for students pursuing post-secondary education. ### **THIS DAY IN HISTORY:**

- **In 1924 during the FIRST EVER Winter Olympics, Canada beat the United States, 6-1 to retain the Olympic ice hockey gold medal. To eliminate confusion, the Canadians had previously won the gold medal in 1920 when Ice Hockey was included in the Summer Olympics in Belgium.**
