

Morning Announcements

Friday, January 21, 2022

TODAY:

-

UPCOMING:

- Did you know that research indicates that there will be a shortage of skilled labourers in the next 5-10 years in BC? Do you enjoy working with your hands? The Trades may be an option for you. Please see Mr. Birt in the Career Center asap to get information on the Delta School District's Train in Trades and Work in Trades Programs where you can earn high school credit while taking your first year apprenticeship courses or earn money while you work in a skilled trade accumulating your hours towards your apprenticeship. Applications are due prior to Spring Break.
- Are you currently in Grade 10 or 11 and starting to think about what courses to select that align with your potential interests beyond high school? Would gaining some real world experience in a career field that you are interested in be of value? See Mr. Birt in the Career Center about the Work Experience Program, what your options are and how to become a part of this course.
