TODAY:

- This is the final week of regularly scheduled classes for our first semester. As we approach semester 2 please ensure that you have signed into your MYED accounts and taken a look at your semester 2 courses as some things may have changed to balance classes. Any students requesting a course change can do so by emailing their counselors. Due to the constraints of the timetable and class size many course change requests will not be possible. Students requiring courses for graduation and post-secondary programs will be prioritized. All students must attend the courses listed on their timetable until they have received a message back from their counsellor.
- A reminder that fees are now due! If you would like to order a yearbook, please do so now!

UPCOMING:

- Hey Explorers! TOMORROW at lunchtime Mr. Laubman presents his winter trip to Antarctica! Come for talk of penguins, action, adventure and a whale of a tale. Wednesday at lunch in the computer lab. New members are always welcome to the Explorers Club!
- TOMORROW is Exhibition day! All staff and students are invited to check out all the student projects displayed in the library and computer lab from 3:30 - 5:30pm. This will feature Innovation students and their independent projects as well as their published children's books. The computer labs will become an arcade full of student video games. Drafting students will be displaying their models and designs. Bring your friends and family to this major Delview Exhibition event!

GRADS:

- Grads.....if you haven't already, book your grad photos! Space is limited! Please go to the Artona website to book.
- Attention Grads: We have your Grad wear! Please come down to Mr. Choy's room during LUNCH to collect whichever items you've ordered. Also if you're interested in purchasing a lanyard, we have them on sale for \$5.00—GRADS ONLY!
