

Morning Announcements

Tuesday, May 10th, 2022

TODAY:

- Delview; did you know that half of all women in Canada have experienced at least one incident of violence since the age of 16. It's worse for Indigenous women. The Moose Hide Campaign is a grassroots movement of Indigenous and non-Indigenous men and boys who are standing up against violence towards women and children. You may see staff and students wearing the moose hide, signifying their commitment to honour, respect and protect the women and children in their lives and to work together with other men and boys to end violence against women and children. Delta School District has chosen Tuesday, May 10th as the day to bring awareness to this movement; however, continual discussion and awareness is required beyond this one day. If you would like more information about the Moose Hide Campaign, please see Mr. Birt in the Career Center.
