

Morning Announcements

Monday, September 27th 2021

Staff and Students; It is Monday, and as we begin our week, we acknowledge how fortunate we are to be able to work and study on the unceded ancestral territory of the Musqueam, Tsawassen, and Tsleil-Waututh nations.

Today our Canadian Flag has been lowered to half mast and will remain lowered all week to acknowledge and remember all those lost as we continue to learn and work together on our path to Truth and Reconciliation.

TODAY:

- Today is the first day of Truth & Reconciliation week. Our Flex time goals for this week are to seek truth regarding the Indian Residential School System, explore what reconciliation means, and then take action. Reconciliation means “to restore positive relationships.” In this way, reconciliation comes through compassion for affected communities and a willingness to listen and learn. The history of residential schools still burdens many Indigenous communities. This week, and moving forward, please listen empathetically and with an open mind. To quote Justice Murray Sinclair, “Education is what got us here and education is what will get us out.”

UPCOMING:

- Attention Theatre Company. Our Directing and Script Development meeting is tomorrow
- Attention Raiders! We are only 1 week away from the big day! Monday October 4th is our annual Terry Fox Run! Over 40 years ago, Terry embarked on a cross-Canada run to raise money and awareness for cancer research. To continue his legacy and fight for cancer research, we ask that you bring in Toonies 4 Terry! The A block class who raises the most money will win a pizza party! The Delview student who brings in the most money will win a \$25 gift card! Let's get those toonies in, Delview
