June 26, 2020

Dear Delview Parents and Students,

Thank you for all your support and care during the pandemic. This has been a different ending to our year, but your continued support with remote learning and the optional return to in-class learning has been greatly appreciated. You should all be very proud of how resilient your children are, how resilient and creative our teachers have been, and how flexible and patient you have been during the pandemic. The lessons learned about perseverance, compassion and adaptability will serve our students as they move through their young lives into adulthood.

I would also like to once again congratulate the graduating class of 2020. They truly are a special group of individuals and we wish you all the best as you begin your next chapter in life. Last night was a special evening as our senior students had their moment, crossing the stage at commencement. Thank you to all those that made this event possible. We look forward to watching our Virtual Commencement Premiere with you on July 3rd and more information will be sent out next week to Grade 12 families along with a link.

September 2020

We are planning to open our doors on September 8th to welcome our new Grade 8's and welcome back our returning students. However, at this point it is difficult to know what the start of school will look like. We anticipate hearing more from the Ministry of Education and Provincial Health Officer in the next few days, and then again later in August. We will update you as soon as we are able to. Please check out our website and look out for emails from the school in late August for more information.

Yearbooks

Unfortunately, our yearbooks have not yet arrived so we were unable to distribute them prior to the end of the school year. As soon as yearbooks arrive at the school we will provide instructions on how and when they will be distributed to those that ordered. As in the past, all school fees must be paid prior to picking up your yearbook.

Textbook Return

Thank you to all students that have returned textbooks. Any students who have not yet returned a textbook, library book or other school-issued material should do so as soon as possible. Students should return these items to the main office. Students who do not return textbooks or school-issued materials will have the replacement costs added to their fee assessments in the summer.

School Fees

Students who have outstanding fees, we would like you to pay these off please. Student fees are viewable on Parent Connect and can be paid via credit card on Parent Connect or in person at the school office. Please contact Mrs. Goltz in the office if you have any questions regarding school fees.

Report Cards

Report Cards are available now and can be viewed on Student/Parent Connect. As a reminder, the work habits have been removed from second semester report cards and parents will see a term 4, final mark and narrative comment. If you have any questions or concerns please contact the classroom teacher.

Graduate Diplomas and Commencement Photos

Grade 12 families will be notified as soon as graduation diplomas and commencement photos are available for pick-up.

School Hours (Summer Hours)

For the summer months, our school office will be open from 8:00am – 2:00pm and we ask that you please call ahead as we will have a limited staff. Our school office will be closed from July 20th – July 24th and August 4th – August 14th for summer vacation.

We know that this year has been different but we have all worked hard to the best of our abilities to remain connected and provide our students with a continuity of learning. On behalf of the administration and staff at Delview Secondary, we hope you all have a wonderful summer filled with laughter and local adventures. In the words of Dr. Bonnie Henry, please continue to “be kind, be calm, and be safe”. We look forward to seeing you all in the fall.

Take care,

Kevin Vasconcelos
Principal

Gurpaul Sohal
Vice Principal
