Dear Grade 8 Parents and Students,

The Delview Secondary school community is looking forward to our return to school in the Fall and welcoming our new Raiders into the building. I know the move to high school comes with a number of emotions and questions and we hope to be able to make the transition as smooth as possible for all our new students.

To assist our Grade 8 students with their transition to high school, the Raider Leadership class and staff will be offering Grades 8's an opportunity to come into the school on August 25th for a tour and for a larger orientation the afternoon of Tuesday September 7th. Information on both days can be found below. *Please note that all plans will be subject to updated safety requirements that we will receive in August.*

Grade 8 Tour- Wednesday, August 25th

- Students will have an opportunity to come into the school to meet the administration, some staff, ask questions and be provided with a brief tour of the school facilities. All details will be emailed to families closer the date.

Grade 8 Orientation- Tuesday, September 7th

- On the afternoon of September 7th students will attend their A Block classes and complete an orientation with their classroom teacher. Details and timing of the orientation will be sent out the week prior. Following the orientation students will remain in their classes and take part in team building activities with our Raider Leadership students. Students will be provided with an individual pizza for lunch.

Please complete the attached Google Doc to assist our leadership students and staff in their planning. If you have any questions, please do not hesitate to contact the school.
