Construction and/or Engineering?**

ACE Certificate is open to students currently enrolled in Grade 12 expecting to graduate in June 2024. Apply here
Join the info session online March 4th, the registration link

BCIT's ACE Certificate introduces recent high school graduates to the design and technical skills that are highly sought after by today's top employers in these fields.

The program begins in July 2024 for 4 weeks, full-time at BCIT's Burnaby campus, and continues September 2024-August 2025 with paid work practicums at ACE firms and continued studies.

ACE can help you decide where your career interests lie while working and learning more!
For more information contact Ann Martineau (amartineau@bcit.ca)

We Float Boats!

Marine Service Pre-Employment Program

Find every trade, on a boat!

The Quadrant Marine Pre-Employment program blends classroom training, industry-specific safety certifications, hands-on workshop activities & workplace tours with job shadowing and a subsidized work experience. Over the 6 - 8-week program, participants will move from a training week to a work week where they will have the opportunity to transition into a real marine workplace.

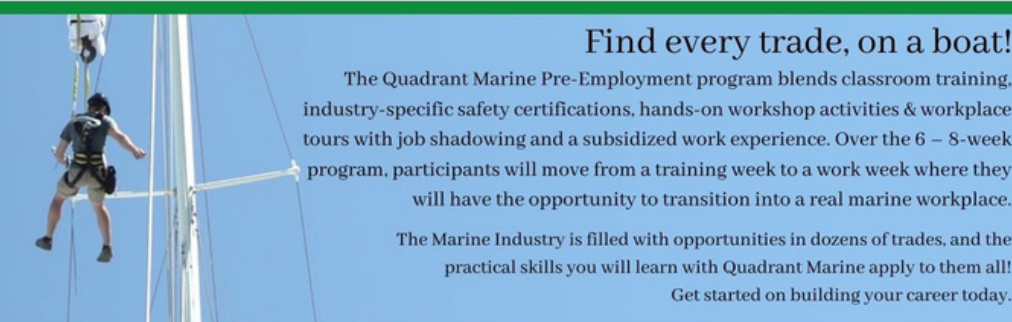

The Marine Industry is filled with opportunities in dozens of trades, and the practical skills you will learn with Quadrant Marine apply to them all! Get started on building your career today.

Are you interested in working on boats?

Take advantage of this **FREE Marine Service Pre Employment Program.**

Contact Quadrant Marine for more information.

<https://www.quadrantmarine.com/pep>
