## ~Return to the office by Monday, May 27~

Service Awards are given:

- for service to the school which has been significant, voluntary and reliable
- to students who have not already gained rewards in the form of course credit, release from classes, other special privileges in the school, or monetary gain
- for volunteer hours in the community only if the service was initiated through the school

Students who have accumulated 20 hours of service will qualify. The coordinator will tally all the hours for each student, so be sure to include all students who have done any amount of service for you, however minimal.
