Friday February 14th

Dear Delview Students & Families,

A Happy Valentines Day to our Delview Families. On a day that celebrates love, friendship, and admiration, I want to share my admiration for the students, staff and parents who make Delview such a special school to be a part of. The little school with a big heart, I am truly impressed by the kindness and sense of belonging our school community creates.

A reminder that school will be closed on Monday due to Family Day. I hope this upcoming long weekend provides you with the opportunity to relax, recharge and reconnect with family, friends and loved ones.

Last night our counsellors presented to parents' information regarding course selection and course offering for next year. The information shared is available on our school website for those who could not attend. Please take some time to chat with your child about course selection to ensure they are taking courses that not only support their passions and interests but will also provide opportunities for them after high school.
