## Grade 8 Course Selection Planning and Practice Sheet

Students entering Grade 8 at Delview use this form to plan and practice selecting their program before doing the Delview Grade 8 Program Selection Form online.

Information about all of the courses offered at Delview can be found in the Course Planning Guide on the school website.

**There are three possible schedule types for Grade 8 students at Delview:**

**1) STANDARD SCHEDULE:** All Grade 8 students select 8 Required Courses.

**2) BAND ELECTIVE OPTION:** Some students choose to take their Standard Grade 8 courses **plus** Band as an additional 9th course (running 2-3 mornings per week from 7:20-8:20 am e.g. Tuesday, Thursday, every other Friday). Students must select Band on this form if they wish to add this course to their schedule.

**3) LEARNING SUPPORT:** Learning Support courses are typically built into the student's standard schedule. Delview Counsellors will meet with the student's Grade 7 teacher in the Spring to determine if your child is eligible for Delview's Learning Support programs (Academic Strategies or English Language Learners). Students do not need to select anything on this online form. Instead, Grade 7 teachers will send a permission form home for parents to sign and return to the teacher or to Delview's main office.
